Society for Cardiovascular Magnetic Resonance

2026 SCMR Webinar: Quantitative Stress Myocardial Perfusion CMR

August 4, 2026 - August 4, 2027

Online

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Society for Cardiovascular Magnetic Resonance. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163

Professions in scope for this activity are listed below.

Physicians

Amedco LLC designates this enduring material for a maximum of 1.0 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurse Practitioners

The American Association of Nurse Practitioners (AANP) recognizes the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC) as approved accreditors and allow reciprocity for AANPCP continuing education credit.

Physician Assistants

The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits™* are acceptable for continuing medical education requirements for recertification for PAs.

Amedco LLC designates this enduring material for a maximum of 1.0 *AMA PRA Category 1 Credits™*. PAs should claim only the credit commensurate with the extent of their participation in the activity.

Enduring Learner Notification

Society for Cardiovascular Magnetic Resonance

2026 SCMR Webinar: Quantitative Stress Myocardial Perfusion CMR

Date of CE Release: 08-04-2026

Date of CE Expiration: 08-04-2027

Location: Online

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must listen to each self-directed audio recording while following along with the visual slides/read the articles and complete an evaluation form to receive a certificate of completion. You must participate in the entire activity as partial credit is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Objectives - After Attending This Program You Should Be Able To

1. Describe the principles, acquisition requirements, quality-control measures, and common technical pitfalls of quantitative stress myocardial perfusion CMR.
2. Interpret myocardial blood flow and myocardial perfusion reserve measurements in conjunction with visual perfusion assessment, ventricular function, and tissue-characterization findings.
3. Integrate quantitative perfusion CMR findings into clinical decision-making for patients with suspected obstructive coronary artery disease, coronary microvascular dysfunction, and complex or discordant imaging findings.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed below.

Name	Commercial Interest:Relationship
Patricia Bandettini	NA
